

COVID-19 SAFETY PLAN

Safety Plan

We are doing what we can to limit the spread of COVID-19 within the North Dakota Veterans Home. By staying in close communication with local and state health officials we are taking the necessary steps to minimize COVID-19.

- Over the last several months we have completed several rounds of testing.
- Moving forward, staff and residents will be tested weekly until further notice.

The North Dakota Veterans Home is staying in close communication with local and state health officials to ensure all the appropriate steps are being done. We continue to follow the guidance from the CDC and CMS to reduce the spread and impact of COVID-19, including:

- Enhanced infection control precautions
- Screening residents, staff, and essential visitors for symptoms
- Following reopening phase guidelines for entry of people to the building
- Testing staff and residents for COVID-19 based on current protocols and availability of tests
- Following reopening phases guidelines for communal activities including social distancing and other infection control precautions
- Indoor Visitation for compassionate care cases only
- Scheduled visitations in the gazebo area one day a week
- Continuing to work through the re-opening phases
