April 22, 2021

Family Members,

Today we are thankful for the beautiful spring weather; it is great to see residents going on walks and enjoying some fresh air. Landscaping crews were on campus this week prepping the grounds for what we anticipate being a beautiful summer. The seedlings that residents have started are soon ready to be transplanted. This time of the year makes us reminisce of what a past resident/WWII Veteran held as her motto: *“Bloom where you are planted.”*

Yesterday, residents and staff took part in a facility-wide COVID-19 testing event. The results of the tests have not returned. You will be contacted if your loved one is suspected to have or diagnosed with COVID-19. If we have no positive test results you will not receive further notifications from us this week, no news is good news. The next testing event for residents and staff is on Wednesday, April 28th.

Indoor visitation continues to be on hold until further notice. Visitation will take place in the gazebo in one-hour increments on Thursdays and Saturdays until further notice. Please contact your loved one’s case manager to schedule. We truly appreciate your patience in working with us to schedule visits.

Please reach out to us with any questions you may have. Have a wonderful weekend!
