April 30, 2021

Family Members,

On Wednesday, April 28th residents and staff took part in a facility-wide COVID-19 testing event. The results of the tests are in. One staff member and one contractor tested positive. The measures we have put in place over the last month will remain. Testing for residents and staff is scheduled for May 5<sup>th</sup> and May 12<sup>th</sup>.

Indoor visitation continues to be on hold until further notice. Visitation will take place in the gazebo in one-hour increments on Thursdays and Saturdays until further notice. Please contact your loved one's case manager to schedule. Residents have really enjoyed reconnecting with their friends and family, we are so thankful that many of you have been able to visit.

On Thursday of this week, we held an activity that went over extremely well. Residents teamed up with a staff member of their choosing and challenged each other in a bean bag tournament. The unique feature of this event was that all the bean bag boards were made in the Veterans Home wood shop/art studio. Face shields and facemasks could not mask the fun we all had, to see some pictures, visit our Facebook page.

Please reach out to us with any questions you may have. Have a wonderful weekend!
