Family Members,

We hope this letter finds you well. It is with great sadness that we share news of the first resident we have lost to COVID-19. This resident was a Navy Veteran, he was loved deeply by his family and will be missed by many. The North Dakota Veterans Home is a close community, this loss hit us hard. Please keep the family of this Veteran and fellow residents in your thoughts and prayers.

Other news that we need to share is that we did have a staff member test positive for COVID-19. The positive staff member is quarantining at home. If we are notified of additional positive cases, we will send out another notification.

Due to a possible bad weather our next facility-wide testing date has been rescheduled for Thursday, January 14th. Upcoming testing dates are January 19th, 22nd, 25th and 29th.

We thank you for your continued support as it was made evident today that our battle with COVID-19 is not over. Please don't hesitate to contact us for further information. We are in this together!
