December 23, 2020

Family Members,

HAPPY HOLIDAYS  
WISHING YOU  
A  
JOYOUS  
HOLIDAY  
SEASON

We hope this letter finds you well as you prepare for an unforgettable Christmas. Once again, we can share some good news regarding COVID-19 at the North Dakota Veterans Home. The results are in from our most recent COVID-19 testing and we have **no positive results** amongst the resident and staff population. As of today, we have 7 residents and 48 staff members who have recovered from COVID-19. One staff person has an active case of COVID-19 and is quarantining at home. We will be testing on December 24<sup>th</sup> and are hopeful for good results.

If you have had the pleasure of being on campus during the holiday season you know how truly special this season is for our residents and staff. This year is no exception, the love and support the residents have been shown by groups and individuals throughout this great state is remarkable. The ND National Guard delivered resident gifts this week, many individuals have donated gifts and cards, and the Veteran Service Organizations have continued to support us financially to ensure the residents have an enjoyable Christmas. As this letter is being sent our amazing activities crew is making trips around the households with “Santa’s Cart;” which includes gifts for all. On Christmas Eve residents will be receiving holiday baked goods and presents, this is made possible by the NDVH Christmas fund. We are truly blessed.

Please feel free to reach out to us at any time.
