Family Members,

We hope you are all doing well as we inch closer to Spring. The residents and staff are looking forward to picking out flowers to plant as soon as the weather allows. The COVID-19 rates have drastically decreased in our county. We are predicting that we will see positive cases appear occasionally. Today we need to share that we do have one staff member who tested positive. No close contacts were identified from this positive case. We will continue to test per CDC guidelines.

Communication is important during these times, please know that the North Dakota Veterans Home is using the **One Call Now** system to send out alerts and notices. Messages will be sent via text, phone, and email.

- If you prefer to receive your messages through **text**, please text **Alert** to **22300**.
- When receiving phone calls, the caller ID will show our main number of 701-683-6500.
- When receiving texts messages, the ID will be 22300.
- To make it easier to identify our messages we suggest saving the contact numbers and labeling them as NDVH on your phone.

While we permit visitors, we ask that anyone who feels ill or has any symptom of COVID-19 to postpone their visit and get tested before visiting. While you are visiting with your loved ones, please wear the new facemasks that we supply at the front entrance. Please practice healthy physical distancing and limit your movement throughout our care community as much as possible. Together, we can all prevent the spread of the virus into our Home.

Please feel free to reach out to any of us with questions or concerns.
