June 18, 2021

Family Members,

Currently, we are awaiting a few results from our 6-16-2021 COVID-19 facility-wide testing event; at this point all results are negative. If total results remain negative, we will have reason to celebrate as we will be out of “outbreak status.” This means that we will be able to have indoor visitation in all pods and the frequency of testing will decrease drastically. We hope to send an official announcement on Monday with the anticipated changes.

Thank you for riding out the storm with us. For well over a year, we have been riding this roller coaster of change and all are ready to return to a sense of normality. We miss our picnics with Veterans groups, musical performances, visits from school groups and so much more. Keep us in your thoughts and prayers as we move forward.

Please do not hesitate to contact us if you have any questions.
