July 2, 2021

Family Members,

In just two days we will be celebrating the independence of this great country we call home. The fourth of July has an extra special meaning on this campus as we get to celebrate it with some of the men and women who have fought for the continued independence of our country. Thankfully, we are still entering our second week of having more freedom with visitation. This also marks the first week we have not had to routinely test staff and residents for COVID-19 in several months. Please review the following visitation guidelines.

## Visitation

- All visits may now be done in residents' room **by appointment only**. Schedule visits by calling a case manager or by booking through our website at [ndvh.nd.gov](http://ndvh.nd.gov)
- Visitation will be held **Monday through Friday from 9a-5p and Saturday 9a-2p**.
- Visitors without an appointment will be turned away until an appointment is made.
- When visiting, you will be screened in at the pod doors nearest the resident you are visiting to minimize contact with others.
- Please do not enter the building without permission.
- Visitation guidelines will be reviewed with you at the time of your screening, and you will be asked to sign that you agree to follow stated guidelines while at NDVH (see attachment.)
- No early entrance will be allowed.
- If you will be more than 15 minutes late, please call 701-683-6500 to notify staff.

Thank you for working with our staff on scheduling visits and following facility guidelines. Remember, you have the option to take your loved one out of the building for an outing, please call the nurses station to make them aware of your plans. We hope you have a fun and safe Fourth of July holiday. Please do not hesitate to contact us if you have any questions.
