July 31, 2020

Family Members,

Greetings on this beautiful July day! We continue to have no COVID-19 cases among residents or staff which means we can continue with visitations. Recently a memo was sent out regarding our updated visitation schedule, you can find this information here: [Visitation Information](#).

We continue to be in Phase 2 of the VP3 reopening phase. In order for us to keep moving forward with reopening as well as continuing with visitations, Ransom County must be identified as a low-risk level county (blue) on the statewide map found here: [Active Cases of COVID-19 Per Capita](#).

Our safety plan has been successful thus far and remains unchanged. All of the extra time and effort that has been devoted to cleaning, screening, assessments and planning is keeping us on the right path. Thank you to all the staff and family members who have worked so hard to make these procedures work well. For details on our safety plan please see our previous letter: [7-24-2020 Family Letter](#).

Sincerely,

Mark B. Johnson
Administrator
