Family Members,

We received the news today that an individual tested positive for COVID-19. Due to this we will step into “outbreak” status. This will impact the North Dakota Veterans Home in the following ways:

- All staff and residents will participate in a testing event scheduled for Friday, August 27<sup>th</sup>.
- We will have weekly testing and remain in “outbreak” status until we have two weeks with no positive test results.
- **Indoor visitation will be suspended at this time.** Scheduled visits will take place in the gazebo or courtyard dependent upon weather.
- Continue to **contact residents case managers to schedule** gazebo or courtyard visits. Visits need to be scheduled 24 hours in advance.
- Residents COVID-19 assessments (questions, temperature, and oxygen stats) will be increased.

If there are additional changes, we will update you. Please do not hesitate to contact us if you have any questions. We are so thankful for your continued support!
