Family Members,

You have been receiving weekly letters from us for nearly five months now. We truly appreciate the time you take to read our updates. Although there are weeks without significant changes it is important to keep you informed. We have seen major changes across the United States with increases in COVID-19 cases. As we gear up for schools to re-open, we encourage all to keep vigilant in measures to prevent the spread of COVID-19. Protecting your family members is our top priority.
