

1600 Veterans Drive
Lisbon, ND 58054
701-683-6500

September 24, 2021

Family Members,

We received the news that a staff member tested positive for COVID-19 and the county transmission level has raised to a red level. Due to these factors, we continue to be in “outbreak” status. This will impact the North Dakota Veterans Home in the following ways:

- All staff and residents will participate in testing event on Thursday, September 23rd, Monday, September 27th, and Thursday, September 30th
- We will have bi-weekly testing and continue this until further notice based on our community transmission level.
- **Indoor visitation will remain suspended at this time.** Scheduled visits will take place in the gazebo or courtyard dependent upon weather. Compassionate care visits will continue to be arranged through case managers.
- Continue to **contact residents case managers to schedule** gazebo or courtyard visits. Visits need to be scheduled 24 hours in advance.
- Residents COVID-19 assessments will be increased.

The positive COVID-19 case numbers in Ransom County are increasing steadily. Please continue to wear facemasks in large groups and use proper precautions. If there are additional changes, we will update you. Please do not hesitate to contact us if you have any questions. We are so thankful for your continued support!
