Family Members,

It has been fun to share more optimistic updates with all of you as of late. We are hopeful that messages from the North Dakota Veterans Home will continue to highlight positive changes on campus for our residents. All residents and staff were thankful to hear that testing will be done every two weeks. Our next facility wide testing date is February 18th.

Changes have been made to our visitation policy, please continue to visit our website, and click on the COVID-19 tab to read about recent guideline changes.

Let us know if you have any questions or concerns. We are in this together!
