Family Members,

We are happy to share that all test results from the 8-9-2021 COVID-19 testing event are negative. The next routine testing date will be scheduled according to the CDC/CMS guidelines. Visitation guidelines remain unchanged. Over the summer months it has been wonderful to see family and friends reunite with loved ones at the North Dakota Veterans Home. Thank you for continuing to schedule your visits with case managers or via the link on our website.

Once again it has been a season when the activities staff have had to think outside of the box and be creative with event planning and outings. Trips this summer included Chahinkapa Zoo in Wahpeton, Silver Prairie Saloon in McLeod, scenic drives and a RedHawks game(sponsored by AMVETS #7 of Fargo) in Fargo. There have been special events on campus as well: a Hawaiian Luau, visit from the Second Brigade M.C. of Lincoln and more. Thank you to all the staff and organizations that helped in creating these memorable events.

Updates will be monthly going forward which once again is subject to change. Please do not hesitate to contact us if you have any questions. We are so thankful for your continued support!
